

ASHHAD ZAKIR PATHAN

DATA ANALYST | TESTER | AWS CCP

+917600095162 | ASHHADPATHAN7@GMAIL.COM | WWW.ASHHADPATHAN.COM

BACKGROUND

Analytical and detail-oriented student with a strong foundation in Data Analytics from Mumbai University (IT Department) and Web Testing from SSR College of ACS (Savitribai Phule Pune University). Proficient in data-driven decision-making, statistical analysis, and leveraging analytical tools to extract actionable insights for business growth. Skilled in manual web testing, ensuring optimal user experience and functionality across platforms. Experienced in utilizing AWS services such as S3, EC2, and Lambda for efficient data management and analysis. A collaborative team player with a problem-solving mindset, committed to delivering high-quality results and contributing to innovative solutions in both data analytics and web testing domains.

EDUCATION

MASTER OF SCIENCE IN DATA ANALYTICS

Mumbai University, 2024 – Present

- Active member of the University IT Club
- Relevant coursework: Advanced Data Analysis, Machine Learning, Big Data Technologies, Data Mining

B.B.A.(COMPUTER APPLICATIONS)

SSR College of ACS (Savitribai Phule Pune University), 2020 – 2023

- Participated in hands-on web development and testing projects as part of the curriculum
- Gained expertise in software development life cycle and quality assurance practices
- Collaborated in teams to build and optimize web applications, enhancing user experience
- Relevant coursework: Web Development, Software Testing.
- CGPA: 7.27

EXPERIENCE

Fresher

Academic Projects

Data Analytics and Web Testing Projects

- Analyzed datasets for trends and insights, applying statistical techniques and visualization methods.
- Tested and debugged websites for compatibility, usability, and performance.
- Worked with cross-functional teams to deliver successful project outcomes while adhering to deadlines.

SKILLS

- AWS Services (EC2, S3, Lambda, RDS)
- Data Visualization (Power BI)
- Statistical Analysis & Data Cleaning
- Database Management & Reporting
- Test Case Development & Execution
- Bug Tracking & Reporting (JIRA)
- Performance & Usability Testing
